

WASH & CARE INSTRUCTIONS

- Perfumes, deodorants and sweat contain chemicals which may damage the color of the merchandise.
- Although we take outmost care and all of our fabrics & garments are prewashed & preshrunk, some of the fabrics may yet
- Shrink and few colors may yet bleed after washing due to their innate characteristics.

For COTTON & LINEN-

To preserve the goodness of your merchandise for a longer period of time:

- Hand wash separately in cold water.
- Do not soak
- Use mild detergents
- Keep away from whites
- Do not wring or bleach
- Dry in shade, inside out
- Use warm iron
- Avoid rubbing / brushing.

For IKKAT & INDIGO -

To preserve the goodness of your merchandise for a longer period of time:

- Hand wash separately in cold water.
- Do not soak
- Use mild detergents
- Keep away from whites
- Do not wring or bleach
- Dry in shade, inside out
- Use warm iron
- Colors from ikkat/ indigo fabrics may transfer upon contact.
- We suggest avoiding wearing these garments with light colored clothes.

For SILK & BLEND:

To preserve the goodness of your merchandise for a longer period of time:

- Dry clean only. Use warm iron.
- No guarantee for fabric slippage. Fabrics tend to tear due to mishandling

DHANYAWAAD!
